5-Day Kid's Club

What is a 5-Day Kid's Club?

It's an evangelistic club which takes place in a neighborhood backyard for 5 consecutive days during the summer months. Club usually lasts one hour and includes a memory verse, Bible lesson with salvation invitation, songs, review game; and a five-part true-life Christian hero or missionary story.

Why hold a 5-Day Kid's Club?

Because children are lost (Matt. 18:14) and need to hear the life changing message of the Gospel of Jesus Christ. It is estimated that 2 out of 3 children living in the USA do not attend church. The purpose of a 5-Day Kid's Club is to present Christ's message of salvation clearly to the unchurched children. This is accomplished using colorful illustrated Bible Lessons, visual aids, songs, etc. The salvation invitation and an opportunity to receive Christ is presented at each meeting. Trained counselors are on hand to help in leading the children to Christ.

5-Day Kid's Club is often a child's "first impression" of God and church. Long after clubs are over, children remember adults who were interested in their lives and who cared enough to build relationships with them. Spiritual foundations will have been laid that will last a lifetime.

If I sign up to Host a club, what will I be responsible for?

As a Hostess, you choose the week for club and provide your backyard/garage/deck or recreation room. You will be provided with colorful invitations to use to invite the children in your neighborhood. You can also provide a simple snack for the children each day.

What are the Teacher's Responsibilities?

Teachers will teach the Bible lesson, memory verse and missionary story each day. Training and all teaching materials will be provided by Children's Outreach.

What About Helpers?

Helpers commit to being available to attend the club each day to check the children in, listen to memory verses and keep attendance records. Helpers will also be available to sit with the children to help solve any discipline problems that may occur.

How will my church benefit from a 5-Day Kid's Club ministry?

By helping to fulfill Christ's command to "go ye into all the world and preach the gospel to every creature". In addition, new families within your community can be reached for Christ and given an opportunity to join your fellowship for spiritual growth.

How will I benefit by being involved in the 5-Day Kid's Club Ministry?

As a Host Family you will get to know your neighborhood children and see many receive the Lord Jesus Christ as their personal savior. You may also have the opportunity to speak to the parents about the Lord.

As a teacher and or helper you will reap eternal benefits while experiencing the joy of seeing children come to know the Lord as savior.

"Only one life t'will soon be past - only what's done for Christ will last."
